SUPERVISOR HANSBERGER APPOINTS ELAINE BAILES TO FIELD REPRESENTATIVE

Supervisor Hansberger is pleased to announce that Elaine Bailes has rejoined his staff as a Field Representative serving the communities of Grand Terrace, Loma Linda and Colton.

Elaine Bailes was Hansberger's Executive Assistant for ten years prior to her retirement from county service in March 2006. Her entire county career spanned nearly three decades and several county departments including Human Resources, the Sheriff's Department and the Board of Supervisors.

"From the time I returned to the Board in 1996, Elaine had been an key member of my team. Her cheerful, positive outlook and demeanor and her absolutely indispensable knowledge of the workings of county government have been a bright spot for all who have worked with her," said Hansberger. "The fact that she is coming back to serve is testament to her commitment to the Third District communities. I speak for myself, as well as many others I'm sure, when I say it will be a pleasure to again have Elaine as part of my staff."

Elaine will work on a part-time basis and will attend community and governmental meetings in the communities to which she is assigned.
